A big **Thank You** to everyone who signed the Petition. Special thanks to those who wrote comments expressing your personal concerns. They will be heard. In just 42 hours we have collected about 180 signatures!

The petition website is still up and running and we would like to collect more signatures. If you have friends and neighbors who may be out of town or didn't get the email, please encourage them to sign.

Once again, we are calling for explanations of what is happening to our property values and our community finances.
