There has been some confusion over the announcement today, June 17, that the TCA (HOA) Board Meeting of June 27 has been canceled. The TCC Country Club Board Meeting scheduled for June 26 has NOT been canceled.

The President's Message, emailed June 14, does not state the time of the meeting. It is:

June 26th, 4pm, Desert Pavilion

PLEASE COME TO THE BOARD MEETING JUNE 26th AND HAVE YOUR SAY

Members of the Board may not have fully understood the details of this loan when they signed it, or they may have decided that the risks for the next 22 years would be acceptable. This is a community of highly educated, experienced, smart people many of whom DO understand those risks and they are NOT acceptable. Common sense would be to ask the community even if letter of the law does not require it.

Text of the President's Message:

President's Message
June 14, 2017

Terravita Members,

Many of our Terravita members are expressing concerns about our TCC Clubhouse remodel and the financial plan to pay for the project. The TCC Board at our June 26th board meeting will spend the time to listen to your concerns and try to answer your questions.

We will take the time to allow any member that wants to express their opinion or raise a question to speak to the board. We will review where the design and financing plans for the clubhouse remodel are at this time and how we got to this position. Please come if you want information and/or want to speak.

Regards,
Sterling Laaveg
President
Terravita Country Club
